In re Application of :  
Martin Philip Riddiford :  
Application No. 10/005,751 : **DECISION GRANTING PETITION**  
Filed: November 7, 2001 : **UNDER 37 CFR 1.55(c)**  
Attorney Docket No. PSION.1CP1C1 :

This is a decision on the petition filed March 15, 2004, under 37 CFR 1.55(c) requesting acceptance of an unintentionally delayed claim under 35 USC 119(a) through (d) for benefit of the filing date of foreign GB 9519556, filed September 26, 1995.

A petition for acceptance of a claim for foreign priority under 37 CFR 1.55(c) is only applicable to those applications filed on or after November 29, 2000. Further, the nonprovisional application must be filed within 12 months of the filing date of the foreign application. In addition, a petition under 37 CFR 1.55(c) to accept an unintentionally delayed claim for priority under 35 U.S.C. § 119(a)-(d) must be accompanied by:

- (1) the claim under 35 U.S.C. § 119(a)-(d) to the prior foreign application, unless previously submitted;<sup>1</sup>
- (2) the surcharge set forth in § 1.17(t); and
- (3) a statement that the entire delay between the date the claim was due and the date the claim was filed was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional.

The instant pending nonprovisional application was filed after November 29, 2000, and did not include a reference to the foreign application, for which benefit is now sought, within the later of four months from the actual filing date of the application or sixteen months from the filing date of the prior foreign application. Therefore,

---

<sup>1</sup> The claim must identify in the oath or declaration the foreign application for which priority is claimed, as well as any foreign application for the same subject matter and having a filing date before that of the application for which priority is claimed, by specifying the application number, country, and the filing date. *Note* also 37 CFR 1.63(c)(2).

since the claim for priority is submitted after the period specified in 37 CFR 1.55(a)(1)(i), this is an appropriate petition under the provisions of 37 CFR 1.55(c).

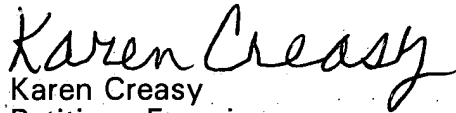

The above-identified pending nonprovisional application was filed on November 7, 2001, which is after November 29, 2000. Intermediate Application No. 08/723,882, filed September 23, 1996 was filed within 12 months of September 26, 1995 (the filing date of the foreign application to which benefit is now being claimed). On March 15, 2004, an Application Data Sheet was received which identifies the foreign application for which priority is claimed by application number, country and filing date. Lastly, petitioner has provided an adequate statement of unintentional delay.

All requirements being met, the petition under 37 CFR 1.55(c) to accept an unintentionally delayed claim for priority under 35 U.S.C. § 119(a) through (d) is **granted**.

A corrected filing receipt accompanies this decision on petition.

The examiner of Technology Center Art Unit 2835 will consider the foreign priority claim under 35 U.S.C. § 119(a) through (d) and 37 CFR 1.55(c).

Any inquiries directly pertaining to this matter may be directed to the undersigned at (703) 305-8859.
